## ABOUT MAKE-A-WISH® OKLAHOMA

Make-A-Wish Oklahoma was founded in 1982 when a group of caring individuals came together to help bring local children hope and strength to fight their illnesses. Since our inception, Make-A-Wish Oklahoma has granted over 3,000 transformational wishes to children across all 77 counties of the state.

Children that qualify for a wish are between the ages of 2 ½ and 18, and have been diagnosed with a critical illness. They are not necessarily terminal. In fact, many of wish kids overcome their medical conditions and go on to lead strong, healthy lives.

In the fight against a critical illness, a wish serves as a catalyst for renewed strength and encouragement for every child and family on their journey.

*Put simply, we believe a single wish transforms lives.*

## ABOUT MAKE-A-WISH OKLAHOMA'S WISH YP COUNCIL

The Make-A-Wish Oklahoma Young Professionals Advisory Council is comprised of young professionals with diverse professional backgrounds and personal interests who desire to further support the mission of Make-A-Wish Oklahoma by making a difference in the lives of children. Wish YP members will serve as ambassadors, advocates and resources for its leadership, Board of Directors and staff. The Council is made up of professionals under 40 years old who are passionate about being active and philanthropic members of their community.
